We wish to inform you that All Nations Insurance Brokers (ANIB) have decided to transfer all servicing of your insurance needs to CapriCMW effective December 1st, 2019. After an extensive review, we have determined that CapriCMW is the best fit to serve our clients for Commercial, Personal Lines, Benefits, Pension & Individual needs. They have an established presence in the Insurance industry since their inception in 1975 and have a strong brand with First Nations. We believe you will be best served by CapriCMW moving forward.

CapriCMW will introduce themselves and ANIB will assist in the transfer of service so that the transition is as smooth as possible. Should you have any concerns or questions, please do not hesitate to call us or share with your CapriCMW representative.
